GARY BUSEY

# A DANGEROUS LIFE

SOME THINGS ARE  
WORTH DYING FOR.

This epic mini-series takes you into the center of a pivotal world event—the 1986 Four-Day Revolution in the Philippines—and into the lives of the men and women who helped create it. Gary Busey stars in a drama that combines actual newsreel footage with the fictionalized story of an American newsman stationed in Manila at the time of Benigno Aquino's assassination, the fall of Ferdinand Marcos and the rise to power of the indomitable Corazon Aquino. Bristling with political controversy, high adventure and deep-felt human emotion. (AS)
